ELLIOT INSTITUTE

During the past year your Trustees arranged for six entertainments—one lecture, three movies, one musical and one slight of hand entertainment.

All of these seemed to be enjoyed by those who attended.

Since our last report the Chairman of our Board of Trustees, Rev. Albert W. Howes, and also our friend and benefactor Mr. George E. Elliot have been called to the Great Beyond.

Mr. Howes died on May 12 after a short illness.

Chosen by Mr. Elliot as an initial member of his Trustees, he from the first justified the wisdom of his choice.

Mr. Howes, always intensely interested in anything for the good of the town, was quick to perceive the great good which would come from this unique gift if carried on along the lines suggested by Mr. Elliot, and during the nearly ten year term of his stewardship he gave of his time and thought to carry out Mr. Elliots ideals.

Mr. Elliot died on October 9. Although for many years an invalid he followed to the last the furtunes of The Elliot Institute with undiminished interest. He always wished to hear about the entertainments—how many people were there—what they thought of it, etc., and almost to the end helped the Trustees with his advise and suggestions.

Always a man of great precision and with a mind for details and great vision, the Deed of Trust given the Trustees for their guidance was a model document and shows what thought and care he bestowed upon it.

Mr. Elliot is gone but he never will be forgotten in Fitzwilliam, for as the Institute which he created grows in strength from the yearly increase in its funds, it will become a fitting monument to a man who loved Fitzwilliam and its people.

FRANCIS R. PARKER,
WALTER R. PORTER,
Elliot Institute Trustees.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Fitzwilliam School Board:

I submit at this time my thirteenth annual report as Superintendent of Schools, this being the thirty-first in the series under union supervision.

Several changes in the teaching force were necessitated by resignations and transfers at the close of the shool year last June.

Miss Adams resigned her position as assistant in the Junior High school in April, and the work was carried on during the remainder of the school year by Miss Pauline Wight, a cadet teacher from Keene Normal school.

For the present school year Miss Ruth E. Cowdrey of Townsend, Mass., a graduate of Framingham Normal school was secured.

Mrs. Marian (Wentworth) Holman was transferred at her own request from the Village Intermediate to the Columbian Intermediate.

Miss Lillian V. Firth, a graduate of Worcester Normal school was secured for the Village intermediate grades.

Miss Marion Flanders and Miss Vivian Johnson, teachers at the Columbian school were released to accept positions in Lexington, Mass., and Miss Elina Heikkila at State Line was released to accept a position in Wellesley, Mass.

For the Columbian primary grades Miss Evelyn Barton, a graduate of Keene Normal school was secured, and for State Line Miss Gretchen H. Yoffa of Gardner, Mass., was elected. Like Miss Heikkila she is a graduate of Fitchburg Normal school.

Mr. Wetmore, Miss Kimball, Miss Blodgett, and Mrs. Whitcomb, supervisor of music, were retained in the positions they held last year.

The Junior High school shows an increased enrollment, having 49 pupils, where last year 44 were enrolled. The total enrollment for the town shows a decrease of 13 from the school year 1929-30.

A study of the enrollment of the several schools for the past ten years may be of interest at this time, and I submit a table giving the figures for that period.

ENROLLMENT

School Year	Junior High	Village Schools	Depot Schools	Rural Schools	Total
1920-21	24	55	62	45	186
1921-22	40	61	52	44	197
1922-23	41	61	50	53	205
1923-24	44	69	56	59	228
1924-25	49	63	58	46	216
1925-26	48	53	49	53	203
1926-27	53	49	41	48	191
1927-28	50	45	50	44	189
1928-29	52	41	57	42	192
1929-30	44	42	49	38	173
1930 (Fall Term)	49	45	38	28	160

The enrollment of the Junior High has more than doubled during the past ten years, and has not varied greatly from the average of 47 since the increased membership shown during the school year 1921-22.

The Village schools reached their highest enrollment of 69 in the school year 1923-24, the year that the high total for the town reached 228. The highest enrollment for the Columbian schools was 62 during the school year 1920-21. For last year the enrollment of these schools was 49, and for the fall term of 1930 it fell to 38.

The two rural schools showed a combined enrollment of 45 in 1920-21, and increased to 59 during the year 1923-24. Since that time the number has gradually dropped until the school year 1929-30 showed 38, and the fall term of 1930 showed a further drop to 28.

The total enrollment for the first twelve weeks of the present school year of 160, will, in all probability number nearly or quite 170 before the close of the year.

During the summer vacation extensive repairs and alterrations were made at the Village school. The windows on the easterly side were enlarged, increasing the lighting surface to comply with modern school requirements. The roof was shingled and the building and fences painted.

The Fitzwilliam schools have been doing very satisfactory work during the past year. The report of the annual inspection of the Junior High school was very creditable to the school, and the large percentage of pupils going from this school to Keene and Murdock High schools indicates the sustained interest of our boys and girls as well as their parents in securing advanced education.

Present conditions necessitate most careful planning of school expenses. Salaries, while not as high as in many towns in the state, have reached a point where they cannot well be increased, and doubtless new teachers for another year will be willing to accept somewhat less than the minimum salary that has usually been offered.

The close of each school year brings to the attention of school officials certain necessary repairs, but beyond such necessary repairs it would seem wise to postpone work involving much expense for at least another year.

At this time I desire to express my thanks and appreciation to all who have co-operated in advancing the work of our schools during the past year.

Very truly yours,
LEWIS S. RECORD,
Superintendent of Schools.

East Jaffrey, N. H., January 31, 1931.
